## **REQUIEM FOR THE LIVING**

Dear Rexleigh

It is absolutely wonderful to be invited to be part of a new musical creation. It is heart-warming to know that in these times we are living now that classical music is still alive and flourishing. I am really looking forward to hear the finished product and wish you great success and please continue composing and creating beautiful music.

You have my full support for this venture.

With sincere regards

  
**Mimi Coertse**
